The meeting was continued with the appointment of 2020 auditors, address by the 2020 Chapter Chair and finally, a brief discussion on activity plans in 2020. The planned activities are workshop on High Voltage Test and Techniques, membership drive, dielectric tutorial, industrial talk, industrial visit and a Distinguished Lecturer Programme.

ICCECN 2020

The first International Conference on Communication, Electrical and Computer Networks (ICCECN 2020) had been successfully organised at the Faculty of Engineering, University of Malaya, Kuala Lumpur, Malaysia on 1st and 2nd February 2020. The conference was co-organised by the Faculty of Engineering, University of Malaya, IEEE University of Malaya Student Branch, IEEE Dielectrics and Electrical Insulation Society (DEIS) Malaysia Chapter and Faculty of Computer Science and Information Technology, University of Malaya.

PTeC 2020 & MyHVnet Colloquium

The 2020 Power Technology and Research (PTeC) and Malaysian High Voltage Network (MyHVnet) Colloquium was successfully held at Universiti Teknologi MARA, Penang, on 03 February 2020. The colloquium, co-organised by IEEE Dielectrics and Electrical Insulation Society (DEIS) Malaysia Chapter, MyHVnet and Universiti Teknologi MARA, has seen a strong presence of the high voltage community in Malaysia, as well as members of the DEIS Malaysia Chapter. The colloquium, which consisted of 2 keynote speeches and about 40 paper presentations, was an excellent opportunity for researchers and engineers to present and discuss their latest findings.
